

Best Practices of ZP Sarguja

Working towards achieving Millennium Development Goal:

The Zila Panchayat is working towards achieving the Millennium Development Goal. In order to achieve the MDG, District Vision was prepared by the ZP focusing on 7 Sectors in order to focus on the developmental issues. This District Visioning has helped to strategise the district plan in accordance with the Millennium Development Goal. This visioning exercise has helped to have better decentralized planning in the district.

Reduction of Malnutrition in the Block:

The Zila had 4350 AWCs in 2009-10. Looking the need for additional AWCs, the Zila Panchayat has made necessary initiation and 804 new AWCs could get sanctioned from the Government. 100% AWCs could be made functional except the newly sanctioned through the regular monitoring by the Zila Panchayat. Through regular monitoring by P, the status of malnutrition in the area is slowly decreasing. Zila Panchayat in convergence with other programmes like BRGF, LWE, 12th Finance commission, Tribal Welfare etc.

Improving the health services:

Health is also one of the focus area of the Zila Panchayat. Earlier basic facilities were not available in the SHCs for conducting delivery. Through the intervention of the Zila Panchayat, many SHCs were could be made functional for Institutional Delivery with all the facility which is spread all over the block. In convergence with the LWE Programme, the Zila Panchayat could facilitate to get fully equipped Ambulance for the Community Health Centre in every CHC. In convergence with different programmes, construction of many SHCs could be sanctioned by the Zila Panchayat.

Livelihood:

Zila Panchayat ensures Livelihood to the people of the area. During the year, no migration is reported in the district in search of livelihood. This is the active involvement of the Zila Panchayat and ensured employment to the people of the area. Since basic employment is available to the people of the district, the standard of living of the people also improved. Since there is reduction in the migration from the district in search of basic employment, the enrollment in AWC and School have improved and the children are getting better education and nutrition. Though SGSY programme, the marginalized people in the district are being provided with Income Generation Activities in MFP, Goat Rearing, Diaries etc.

Convergence:

In order to have better development for achieving the Millennium development goals, the convergence is important. The Zila Panchayat ensures convergence with all the departments of developments and their issues in line with convergence and co-ordinational aspects are being discussed and solved. Zila Panchayat ensures convergence of infrastructure development through BRGF, LWE and 12th finance Commission etc.
